Digestive Aid

Rich in Antioxidants

Immune Booster

Blood Purifier

Sulphur & Chemical-Free

Jaggery Block (Our)

Weight: 500g, 1kg, 5kg, 10kg Shelf Life: 6–12 months

Jaggery Powder (Shakkar)

Weight: 100g, 250g, 500g, 1kg, 5kg Shelf Life: 9–12 months

Why Choose Jaggery Over Refined Sugar

Less Processed

made by concentrating sugarcane juice without heavy refining or bleaching agents.

Rich In Minerals

retains natural iron, calcium, potassium & magnesium lost in refining.

Natural Sweetener

free from artificial additives and chemical bleaching agents.

Health Benefits

Digestive Aid

activates digestive enzymes and eases bloating after meals.

Immune Booster

antioxidants support the body's natural defenses.

Blood Purifier

a traditional detoxifier used in Ayurvedic diets.

Best Uses

Tea & Coffee

Baking

Traditional Sweets

Smoothies

"Swapping in jaggery powder can replace 20–30kg of refined sugar per year in an average diet."

Discover the effortless luxury of our high-quality jaggery. Enjoy quick dissolution and consistent sweetness that makes cooking a breeze — elevate every dish with freshness, whether at home or work.

ABOUT US

At **Trinetra Exports**, excellence is not just a goal — **it's our promise.**

We take pride in our direct partnerships with **sugarcane farmers**, ensuring only the finest cane is handpicked for processing.

By maintaining stringent standards throughout every step of production, from field to factory, we guarantee that our clients receive nothing but the highest quality products — sourced with care, exported with integrity since 2010.

2010 Founded
& Established

40+ Countries
Served Globally

100% Organic &
Pure Quality

OUR PROCESS

01 Farmer Partnerships

Direct sourcing from certified sugarcane farms, ensuring fair trade practices.

03 Custom Packaging

Food-grade sealed packaging that preserves freshness during transit.

02 Quality Inspection

Multi-stage lab testing for moisture, purity, and FSSAI compliance.

04 Export Logistics

Custom clearance, marine freight, and phytosanitary certification handled end-to-end.

OUR JAGGERY PRODUCTS

Jaggery Block (Gur) **TRADITIONAL**

A traditional unrefined sugar made by concentrating raw, pure sugarcane juice into solid blocks/cakes.

Form: Solid block/cake — also cubes, powder, or granules

Weight Options: 500g, 1kg, 5kg, 10kg

Shelf Life: 6–12 months, stored cool & dry

Jaggery Powder (Shakkar) **GRANULATED**

A granulated, unrefined natural sweetener made by drying and crushing solid jaggery into fine, free-flowing granules.

Form: Fine powder / granulated

Weight Options: 100g, 250g, 500g, 1kg, 5kg

Shelf Life: 9–12 months, sealed & moisture-proof
